

San Juan, Puerto Rico

FOR IMMEDIATE RELEASE**Puerto Rico Fixed Income Fund II, Inc. - Distribution/dividend information**

Puerto Rico Fixed Income Fund II, Inc., a closed-end management investment company registered as an investment company under the Puerto Rico Investment Companies Act, today announced that the Fund's Board of Directors has declared a dividend from net investment income of \$0.03417 (\$0.03093 exempt and \$0.00324 taxable) per share of common stock. The dividend was paid on September 12, 2016 to common shareholders of record as of August 31, 2016.

On October 1, 2013, UBS Asset Managers of Puerto Rico (a division of UBS Trust Company of Puerto Rico), implemented a partial waiver of its investment advisory and administration fees, reducing its investment advisory fee to 0.30% and administration fee to 0.10%, both based on the Fund's average weekly gross assets.

Under normal circumstances, the Fund is required to invest at least 67% of its total assets in securities issued by Puerto Rico issuers. The Fund has obtained a waiver from the Office of the Commissioner of Financial Institutions (the "OCFI") with respect to this 67% Puerto Rico-issued assets requirement, through January 31, 2017 (which waiver may be extended by the OCFI). Shares of common stock of the Fund may only be offered to individuals who have their principal residence, or to business organizations that have their principal office and place of business, in Puerto Rico.

SHARE REPURCHASE PROGRAM. On August 13, 2015, the Board of Directors approved an extension of the Fund's existing share repurchase program for the acquisition of up to 50% of the Fund's issued Shares. The Repurchase Program is intended to enhance shareholder value by providing additional liquidity to Fund shareholders. Only record owners may tender their Shares for repurchase. Beneficial owners must contact their respective broker-dealers to indicate their interest in participating in any future open-market repurchase of Shares. As of August 31, 2016 the Fund has repurchased 24,486,742 Shares of common stock in the open market, which represent 44.31% of the aggregate number of Shares issued by the Fund (net of Shares acquired for dividend reinvestment purposes and which remain outstanding).
